About me page

A hand-drawn sketch of a mobile application page titled "About me page" in portrait orientation. The layout is divided into several sections by horizontal lines. At the top, there is a header area with a short horizontal line on the left and a hamburger menu icon (three horizontal lines) on the right. Below the header, the main content area contains several blocks of text, each represented by a short horizontal line followed by a longer, slightly slanted line. This is followed by two rectangular boxes, each containing five horizontal lines with rounded right ends, suggesting a list or a series of items. The final section at the bottom is a table with two columns and three rows, represented by a grid of lines.

Contact page

A hand-drawn sketch of a mobile contact page layout in portrait orientation. The layout is contained within a rectangular frame. At the top, there is a header area with a horizontal line on the left and three horizontal lines on the right. Below the header, there are three horizontal lines. Underneath these lines are four small circles arranged horizontally. Below the circles are three horizontal rectangular boxes. Below these boxes is a large square box. Below the square box is a horizontal rectangular box containing a horizontal line. At the bottom of the page, there is a horizontal line and a small square box containing a horizontal line.

About me Page

mobile/landscape
Project Page

A hand-drawn project page template for mobile/landscape design. The page is enclosed in a large rectangular border. At the top, there is a header section. On the left side of the header, there is a single horizontal line. On the right side of the header, there are three horizontal lines stacked vertically. Below the header, there is a large central area. At the top of this central area, there is a single horizontal line. Below this line, there is a 3x2 grid of six squares. Each square contains an 'X' formed by two diagonal lines connecting opposite corners. The grid is intended for sketching or drawing landscape elements.

Contact page

A hand-drawn sketch of a mobile/landscape contact page layout. The page is enclosed in a rectangular border. At the top, there is a header area containing a horizontal line on the left and a hamburger menu icon (three horizontal lines) on the right. Below the header, there are three horizontal lines, likely representing a title or subtitle. Underneath these lines are four small circles arranged horizontally, possibly representing social media icons or a progress indicator. The main body of the page contains four stacked rectangular boxes of varying widths, which could represent input fields or content blocks. At the bottom, there is a horizontal line above a small rectangular box containing a single character, possibly a page number or a small icon.

About me Page

The sketch depicts a portrait-oriented page layout. At the top is a header area containing a horizontal line on the left and a hamburger menu icon (three horizontal lines) on the right. Below the header, the main content area is divided into several sections. The first section consists of four horizontal lines for text. The second section consists of two horizontal lines for text. The third section is a rectangular box containing a list of six items, each represented by a horizontal line with a small vertical line at the left end. The fourth section is another rectangular box containing a list of four items, each represented by a horizontal line with a small vertical line at the left end. The fifth section is a rectangular box containing a table with two columns and three rows.

Contact Page

A hand-drawn wireframe of a contact page layout. The layout is enclosed in a large rectangular border. At the top, there is a header area containing a solid horizontal line on the left and a dashed horizontal line on the right. Below the header, the main content area is divided into two columns. The left column contains two horizontal lines, followed by four small circles arranged horizontally. The right column contains four rectangular boxes stacked vertically, with the bottom-most box being significantly larger than the others. Below these four boxes is a single horizontal line. At the bottom of the page, there is a horizontal line on the left and a small rectangular box on the right.
